

Important Information

Please provide us with a password. The password will be used to verify your identity and anyone on the premises when we check your residence.

Note: If the individual does not know the password, the Chula Vista Police Department will be notified.

If your plans change in any way (coming home early, staying longer, changes to emergency contact, etc.), you must notify the SVP as soon as possible.

When you return, please call us and verify your identity with the password you provided.

The SVP will stop the vacation house check the day after your return date.
